Property Assessments

In 2016, the Municipal Property Assessment Corporation (MPAC) sent out Property Assessment Notices to every property owner in Ontario. The 2016 Notices provided the classification and updated assessed value for properties, based on a legislated valuation date of January 1, 2016. Increases in assessed value between the January 1, 2012 and January 1, 2016 legislated valuation dates will be phased in over four years (2017-2020), while decreases in assessed value will be applied immediately. If you have questions regarding your assessment, you can contact MPAC by telephone at 1-866-296-6722 or through their website www.mpac.ca. MPAC offers an online service called 'AboutMyProperty' that provides property taxpayers with convenient access to property assessment information, site information and recent sales information on their property and similar properties, free of charge.

Property Tax Rates

The Tax Rate is determined after the Township Council and the Region of Durham approve their budgets, and the Province of Ontario establishes the education rate. This Tax Rate is the factor which, when multiplied by the property's current value assessment, determines the amount of property taxes to be levied against the property. The full listing of 2018 property tax rates by property tax classification is located on our website at www.town.uxbridge.on.ca/treasury.

Property Tax Rebate Program For Vacant Commercial and Industrial Buildings

The Province of Ontario, through the 2016 Ontario Budget, has provided municipalities with broader flexibility to tailor the Vacant Rebate and Reduction programs to better reflect community needs and circumstances. The Region of Durham, who is responsible for setting Tax Policies for the Township of Uxbridge, has approved for the Vacant Unit Property Tax Rebate program to be phased-out evenly over the 2018 and 2019 taxation years. In 2018, the rebate will be 15% for Commercial property tax classes and 17.5% for Industrial property tax classes. In 2019, the program will be eliminated.

For the year 2018, you may qualify for a vacancy tax rebate if your commercial or industrial building was entirely or partially vacant during the taxation year and you meet the eligible criteria. The 'Vacancy Rebate Application Form' and the 'Vacancy Rebate Eligibility Criteria' are on our website at www.town.uxbridge.on.ca/treasury. Applications must be received by the Tax Department before February 28, 2019.
