Snow removal obstruction

Did you know that in accordance with the Township of Uxbridge Traffic By-law 2013-184, it is an offence to stop any vehicle on a highway in such a manner as to interfere with the movement of traffic or the clearing of snow from the highway?

Please make sure you park off any highway or roadway so as to permit snow removal equipment and vehicles to clean the streets during the winter season.

Sidewalk Responsibilities

Please keep the Township Snowmobile By-Law in mind while operating your motorized snow vehicle this winter season. LOOKING FOR DURHAM 150 FARM FAMILIES!

You can help Durham Farm Connections and your community museum celebrate 150 years of farming!

Uxbridge Historical Centre in cooperation with Durham Farm Connections is preparing to celebrate Canada's 150th anniversary by celebrating farm families that have been farming continuously since 1867 in Canada and are still farming in Durham Region – five generations in most cases.

Durham Farm Connections is also compiling archival information on Women's Institutes, Agricultural Societies and fairs, and youth organizations such as 4-H Clubs and Junior Farmers.

If you are a farming family in Durham Region and have been doing so continuously since 1867, or have archival information to share, please contact info@durhamfarmconnections.ca.

WINTER ICE CONDITIONS - ELGIN POND

The Township of Uxbridge will be testing the ice conditions at Elgin Pond throughout the winter:

**NO FLAGS.....WE HAVE NOT STARTED TO TEST
RED FLAGS.....ICE IS NOT SAFE TO BE ON
YELLOW FLAGS....SKATE WITH CAUTION**

Please keep away from water inlets and outlets as ice thickness is compromised.

Please note: Flags are located at the North End of Elgin Pond.

STORMWATER MANAGEMENT FACILITIES

Please keep off of all stormwater management facilities. Water levels fluctuate at these facilities and these facilities are not safe for skating or other activities.

WINTER GARBAGE AND BLUE BOX COLLECTION TIPS

1. Do not place your Blue Boxes, Green Bins or Garbage on snow banks or on the road.
2. Put your waste containers out at the end of your driveway so they do not interfere with snow clearing equipment.

Snow Safety

Parents remind your children that it is dangerous to play or build forts in snow banks adjacent to the roads. The snow plow operators may not see them. Children should never use streets and roads for sledding or sled down hills that enter onto a roadway or parking lot.

SAFETY AROUND SNOW REMOVAL EQUIPMENT

Snow removal equipment use distinctive flashing blue lights to warn you that operations are underway. When these lights are on, slow down and stay well behind the plow to avoid flying snow and sand. Drive with your headlights on and avoid driving in the snowplow's blind spots. If you must pass the plow, be sure there is enough visibility to avoid the snow coming from the plow's blade.

Contest starts December 1st at participating Uxbridge BIA businesses!
