WINTER ICE CONDITIONS - ELGIN POND

The Township of Uxbridge will be testing the ice conditions at Elgin Pond throughout the winter:

**NO FLAGS.....WE HAVE NOT STARTED TO TEST
RED FLAGS.....ICE IS NOT SAFE TO BE ON
YELLOW FLAGS....SKATE WITH CAUTION**

Please keep away from water inlets and outlets as ice thickness is compromised.

Please note: Flags are located at the North End of Elgin Pond.

STORMWATER MANAGEMENT FACILITIES

Please keep off of all stormwater management facilities. Water levels fluctuate at these facilities and these facilities are not safe for skating or other activities.

WINTER GARBAGE AND BLUE BOX COLLECTION TIPS

1. Do not place your Blue Boxes, Green Bins or Garbage on snow banks or on the road.
2. Put your waste containers out at the end of your driveway so they do not interfere with snow clearing equipment.

Snow Safety

Parents remind your children that it is dangerous to play or build forts in snow banks adjacent to the roads. The snow plow operators may not see them. Children should never use streets and roads for sledding or sled down hills that enter onto a roadway or parking lot.

SAFETY AROUND SNOW REMOVAL EQUIPMENT

Snow removal equipment use distinctive flashing blue lights to warn you that operations are underway. When these lights are on, slow down and stay well behind the plow to avoid flying snow and sand. Drive with your headlights on and avoid driving in the snowplow's blind spots. If you must pass the plow, be sure there is enough visibility to avoid the snow coming from the plow's blade.
