**Notice of Intention to Repeal a Designation
By-law and Pass a By-Law to Designate
A Portion of the Uxbridge/Scott Historical
Centre Lands (7239 Concession Rd 6) To
be of Cultural Heritage Value and Interest
Pursuant to the Provisions of the Ontario
Heritage Act (R.S.O. 1990, Chapter 0.18)**

Take Notice that the Council of The Corporation of the Township of Uxbridge intends to pass by-laws under Section 29 of the *Ontario Heritage Act*, R.S.O. 1990, Chapter 0.18, to designate the following lands to be of cultural heritage value and interest:

Uxbridge/Scott Historical Centre (7239 Concession Rd 6)(Concession 6 N Pt Lot 31 S Pt Lot 32 and now 40R-10522 Part 1 to 3)(Plan 40M-1694 Blk 63 and Pt Blk 64 RP40R-18662, Parts 3 and 5)

The Uxbridge/Scott Historical Centre Museum property was created in 1972 to commemorate the heritage of Uxbridge. It is comprised of nine (9) buildings built in the early 20th century. Seven are authentic heritage structures while two are reconstructions. The site reflects a range of historic themes important to the Township's past, and culturally significant persons associated with the Township.

There is currently a By-law that designates the Fifth Line Church and the Orange Lodge Hall as having historical significance on the Historical Centre site that will be repealed and replaced with a new by-law that will include a number of other buildings now located on the site. In addition to the Fifth Line Church and the Orange Hall (now known as Victoria Corners Lodge Hall), the designation of Quaker Hill Public School, The Gould-Carmody House, Scott Township Municipal Hall, the Hillson Shed, the Nesbitt Shed, and the Implement Shed would complete the process of designating the Uxbridge/Scott Historical site save and except, the lands that contain the Off Leash Dog Park, The Stokes-Kydd House and Fire Hall which will not be designated.

Additional information, including a full description of the reasons for designation is available upon request from Debbie Leroux, Director of Legislative Services/Clerk at 905-852-9181 or at dleroux@town.uxbridge.on.ca during regular business hours.

Know an environmental hero? Nominate them today.

LSRCA looking for Conservation nominations

What do the president of a local business in Barrie, the owners of a livestock farm in the City of Kawartha Lakes, and a 10-year old student in Uxbridge have in common?

They were just a few of the 20 conservation heroes honoured by the Lake Simcoe Region Conservation Authority (LSRCA) at its annual Conservation Awards Gala last year.

It's nomination time again and LSRCA is now seeking watershed-wide nominees for the 2018 Conservation Awards Gala in October. Nominees will be environmentally minded groups, businesses and individuals working to keep our water clean, our soil healthy and our communities more sustainable.

If you know any individuals, groups or businesses that have environmental accomplishments, let LSRCA know! They may not be looking for appreciation, but their efforts deserve recognition and they serve as an inspiration to others.

Eligibility requirements and the award nomination form are now online at: www.LSRCA.on.ca/conservationawards.
