## Drowning Statistics

- Only 3% of children who drowned were strong swimmers
- 35% of children who drowned in a 10-year period were alone
- Only 35% of those under 19 who drowned had intended to go in the water - that means 65% were not planning to go in the water.

**The best way to prevent drowning is to learn to swim.**

**UxPool provides water safety with all of our Learn to Swim Programs.**

**Registration for the winter session will begin November 20th.**

**Statistics provided by the Canadian Red Cross Facts and Figures.**

**TRAVELOGUE: RUSSIA: A Country of Contrasts,** Wed., Nov. 27, 1 - 2:30 p.m.

Everyone is welcome for an armchair tour of this interesting place, as seen through the eyes of a trip there this past summer by David and Anne Phillips. We will look at the various lifestyle levels of the people, on a 700 kilometer road trip from the beautiful city of St. Petersburg, to the capital city of Moscow. You may be surprised during the journey to discover what drives Russia in 2013, and thus affects our entire world! No need to sign up ahead of time, so bring along a neighbour or friend who would enjoy a daytime outing! Cost: 'Toonies for Treats'

**Coming soon...**lots of fun, FAMILY activities throughout December, to celebrate the holiday season. Programs planned to include local musicians, crafts, cookie decorating and pyjama storytimes, at various times and days/evenings of each week! Watch for details.
