

Jumpstart Inclusive Multisport Court Frequently Asked Questions

Dec. 17, 2020

Where will the Court be installed?

The court is planned for Bonner Fields in a location adjacent to the playground and ball diamond.

How will users access the Courts?

Vehicle access to the courts will be via Capstick Lane using the existing parking lot at Bonner Fields. An accessible path to the courts will be installed from the parking lot. Pedestrians may walk to the park through the Coral Creek subdivision or from Joseph Gould School, or from the Hela Spice Trail.

Will the Courts be lit?

LED lighting is planned for the site. The lights will be on a timer.

What Hours of Use will be Permitted?

The court hours will match the hours of the Bonner Fields baseball diamonds.

What sports can be played on the courts?

The Jumpstart Inclusive Multisport Court will enable various sports such as basketball, wheelchair basketball, tennis, wheelchair tennis, pickleball, volleyball and sitting volleyball, and provides covered accessible seating. The court can be adapted for various uses.

What accessibility features are available?

The Jumpstart Inclusive Multisport Court includes features like contrasting colours to support visual impairment, shaded double-wide benches for improved accessibility, wheelchair accessible seating, and more.
