Street Sweeping

Street sweeping will be starting in the upcoming weeks, weather permitting and will take 6 – 8 weeks to complete. Please try not to park on the streets during this time. Please leave the sand on the road as there will not be any special pick up of sand left in piles or in pails. It is acceptable to rake any sand that has accumulated on the boulevard into the curb and gutter prior to the sweeping of the street. Any areas that are missed due to parked cars will be redone after all sweeping is complete.

Below is the schedule for sweeping:

1. S/E corner of town
2. N/E corner of town
3. Rural subdivisions and hamlets
3. N/W corner of town
4. S/W corner of town
5. Town parking lots

(The town portion is divided into 4 areas with Brock & Main Streets as the centre point.)

Residents Reminded to Obtain Permits Before Lighting a Fire

The Uxbridge Fire Department is asking all residents to obtain a fire permit and follow all burning requirements before lighting an outdoor fire this spring. There are several types of permits available depending on the needs and the size of the property. It is also important to know that the use of clay, ceramic, or metal burning pots are prohibited in the urban, residential and populated areas of the Township of Uxbridge.

"We like to make sure everyone is aware of the rules for burning, and are taking all of the necessary precautions to prevent problems" says Fire Chief Phil Alexander. "Part of the process is calling the Fire Department prior to lighting your fire to learn if there are any burning restrictions at the time you are planning to burn. Unfortunately if homeowners are not observing our fire by-laws and we respond, it can result in fees for service to the homeowners who aren't in compliance."

Fees for burning permits as well as fees for service are outlined in **By-Law 2007-209** which can be viewed on the Township Web Site <http://town.uxbridge.on.ca/fire>

Where to obtain permits:

Permits can be obtained from the Municipal Office at 51 Toronto St. S. or the Fire Station at 301 Brock St. W. during regular business hours, Monday to Friday 8:30 am-4:30 pm.

Prior to burning, call **905-852-9038**
